

Up Our Street

Statistical appendix

Living reasonably comfortable and stable lives, Up Our Street engage with popular arts and entertainment and museums, and are also visitors to heritage sites

How to use this appendix

This appendix contains further details of the segment presented as graphs, charts and tables. It provides a supplement to the full segment descriptions and narrative which can be found audiencefinder.org/up-our-street

Unless stated otherwise, data is derived from Taking Part, an annual survey of engagement across England. All data is based on the English population. New segment information and insights will be added over time, if you have any particular requests please do get in touch at research@theaudienceagency.org

Information has been presented for the English population in the following ways

Percentage	Proportion of segment that falls into a particular category, or who answered 'Yes' to a question
Index	How a response compares to the national average. 100 = pop average, 200 = double, 50 = half
Rank	The segment's position compared to other segments. '1' is highest rank, '10' is lowest rank

Summary of cultural visits

Summary of cultural visits (rank)

Overall engagement rank	7
Arts visits	7
Museum & gallery visits	7
Heritage visits	7

Proximity to provision by sector (rank)

Arts proximity	9
Museum & gallery proximity	9
Heritage proximity	9

Summary of cultural visits (index)

Notes on statistics

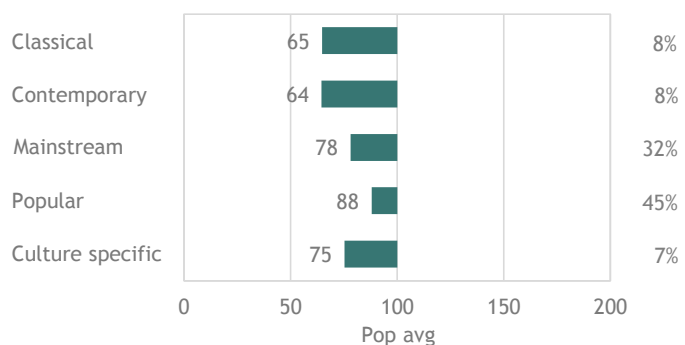

- * Engagement rank is based on arts visits combined with museums/galleries visits and does not include heritage.
- * Proximity to culture is based on analysis of provision across England carried out by The Audience Agency.
- * The overall index for each culture category is calculated from a range of individual activities taken from each category.

Arts visits each year

Types of arts events visited each year (rank)

Classical	6
Contemporary	7
Mainstream	7
Popular	7
Culture specific	8

Types of arts events visited each year (index and %)

Notes on statistics

- * The 'types of arts events' above have been calculated by combining individual artforms into categories depending on whether they are 'classical' (such as opera, ballet, classical music), 'contemporary' (such as jazz and contemporary dance), 'mainstream' (such as play or exhibition), 'popular' (such as musical or panto) or 'culture specific' (such as African/ South Asian/ Chinese dance).
- * It should be noted that the groupings are being tested through further research and this will be used to inform segmentation development.
- * The following graph shows segment responses for individual artforms.

Specific artform visits each year (index and %)

Artform	Index	Percentage
Street arts	74	7%
Other live dance event	83	4%
African/ South Asian/ Chinese dance	78	2%
Culturally specific festival	67	3%
Circus (not animals)	66	3%
Carnival	94	10%
Other live music event	89	25%
Pantomime	84	11%
Musical	75	17%
Craft exhibition	99	12%
Public art display or installation	62	9%
Exhibition	66	13%
Play/drama	69	16%
Event connected with books or writing	66	3%
Event with video or electronic art	68	3%
Contemporary dance	51	1%
Jazz	62	3%
Ballet	64	3%
Classical music	62	5%
Opera	55	2%

Museum/ gallery / heritage visits each year

Museum/ gallery/ heritage visits (rank)

Museum/gallery	7
Historic building	7
Historic park or garden	7
Monument (e.g. castle, fort, ruin)	8

Key stat - National Trust Membership

Rank, index and %: 7 - 62 - 9%

Museum / gallery / heritage visits each year (index and %)

Non cultural leisure interests taken part in 'nowadays'

Non cultural leisure activities (rank)

Sport active	7
Home & garden	5
Social - Rest, pubs / bars/ clubs	7
Days out	7

Non cultural leisure activities *

Overall rank and index: 8 - 88

* This rank is based on longer list of activities from Taking Part

Non cultural leisure activities (index)

Creative pursuits each year

Creative pursuit each year

	Index	Percentage
Written any stories or plays	87	2%
Read for pleasure (not newspapers, magazines or comics)	95	64%
